## MICRO SILICA CAT LITTER

### PETS CHOICE MICRO SILICA CAT LITTER

SIZE	CODE	BARCODE
1.5 kg	MCL001	6009709479807

Super Soft on Paws - Silica Gel micro crystals provide maximum comfort on cats' paws and powerful clumping for easy scooping and a refreshing litter experience

- Each silica sand crystal has millions of microscopic pores which evaporates liquid and locks odours inside, so you can keep your home smelling fresh
- Includes unique anti-bacterial blue beads help to inhibit bacteria, making your tray more hygienic.
- Hassle free / easy to use

## PETS CHOICE SILICA CAT LITTER

### PETS CHOICE LITTER CRYSTALS

SIZE	CODE	BARCODE
1.8 kg	SCL004	6009709475496
3.6 kg	SCL002	6009709479791
6 kg (Value Pack)	SCL003	6009709479821

Each silica sand crystal has millions of microscopic pores which evaporates liquid and locks odours inside, so you can keep your home smelling fresh

- Liquid rapidly evaporates, odours remain trapped inside the crystal. Making there no need to constantly clean up after each mess
- Includes unique anti-bacterial blue beads help to inhibit bacteria, making your tray more hygienic.
- Hassle free / easy to use

# CAT LITTER

## ECO-CAT LITTER

### PETS CHOICE ECO-CAT LITTER

SIZE	CODE	BARCODE
15 kg	ECL001	6009709478954

- Organic wood-based pellets
- Highly absorbent
- No chemical additives
- 100% natural and Eco-friendly

## MULTIPET CAT LITTER

### MULTIPET CLAY LITTER

SIZE	CODE	BARCODE
5 kg (5-pack)	CCL001	6009709479852
10 kg	CCL002	6009709479845

Multipet Clay Litter is enhanced with powerful odor neutralizers designed to eliminate even the most stubborn odors upon contact. The Clay's unique structure excels in moisture absorption, trapping it within it's layers. This creates a negative ionic charge that effectively attracts water and liquids, simplifying the scooping process.

### MULTIPET LITTER CRYSTALS

SIZE	CODE	BARCODE
1.8 kg (8-pack)	MPSC001	6009709478695

Each silica sand crystal has millions of microscopic pores which evaporates liquid and locks odours inside.

- Includes unique anti-bacterial blue beads help to inhibit bacteria, making your tray more hygienic.
- Hassle free / easy to use
